

SANCTUARY GAMING CAFÉ

GAMING BUDDIE

Welcome to the Sanctuary Gaming Cafe Team (SGC). This is an introduction to the role and some guidance as to what we are trying to achieve.

SGC was founded to provide an affordable evenings entertainment and food for everyone. Our aim is to make it inclusive as possible, and to support those who are struggling financially through the "pay it forward" scheme, and SGC's sponsorship.

SGC is a DSP Project (Disability Support Project). DSP is a not for profit charity that ensures the most vulnerable in our community have the finances they need to live and grow.

If you are interested in joining other areas of SGC or DSP as a volunteer, please speak with a member of the team.

THE ROLE

As a Gaming Buddie you are not expected to be in attendance every week or work specific hours. This role is highly flexible, but provides a vital service to our members. SGC is on every Friday (besides Christmas holiday) between 5pm - 9pm

Your role is to:

- Learn as many of the games as you can
- Teach games to members
- Look out for those alone and invite them to games
- Join and have an input in our digital community (Website forum, Facebook, Instagram etc)

You will be provided with a new lanyard and card (with a gamer tag of your choice) and an SGC T-Shirt to wear when you are on duty.
